

## FIRING A TRAIN KILN - CALL FOR WORKS

Join Coll Minogue and Robert Sanderson as they fire our train kiln over three days.

Works produced during their current residency will be fired in our train kiln and we are delighted to invite potters to be part of the firing.

The kiln will pack 17 + 18 August, and firing is expected to commence 21 August and run through to the late evening of 23 August. As the kiln has not been fired for some years, it will be preheated on 19 + 20 August

You are welcome to include work in the firing, but we do expect everyone placing work in the kiln to do at least one four shifts over the firing.

Please note that there will be no alcohol allowed around the kiln during this firing.

**Cost: \$30 per person for wood**

For further information, please email [info@strathnairn.com.au](mailto:info@strathnairn.com.au) or phone 6254 2134 Tuesday to Saturday.
